Bonnyville Ashlin Gymnastics Club is a Not for Profit Organization that offers programs to over 240 members in Recreational, Competitive and Drop-in gymnastics for children of all ages. The club has now been in existence for 34 years. Our competitive program consisted of 26 girls and is continually in demand. We had four of our competitive girls compete in Provincials last year in Lethbridge, as a result Lauren Broda was P2 Provincial Vault Champion and Grace Tkachuk won bronze on Vault at Provincials. Our competitive girls train many hours per week and are encouraged to achieve their goals. Our philosophy is the promotion and development of youth in the activity and sport of gymnastics, as well as the promotion of physical fitness and amateur sports through the provision of high quality coaches and facilities. At this time we need support for coach development and training for our competitive girls.

Working with Corporate Partners such as you will allow us to continually strengthen the quality of our Centre by ensuring our athletes are being provided with growing programs and superior coaching in an advanced facility. It will also ensure that we are able to offer our programs to the community at rates that are affordable for a variety of income levels.

As we have a large membership, there are many children who attend our gym on a weekly basis along with their parents, grandparents, caregivers, and friends.

We would like to thank you in advance for reviewing and considering our sponsorship proposal. Should you require more information, or if you have any questions, please feel free to contact us.

Sincerely,

Nestor Tkachuk  
President  
Bonnyville Ashlin Gymnastics Club
